

Instructions for Logging onto ASTHO Training: “Sara Alert™ Training: Enroller Role”

1. Go to website: <https://learn.astho.org/p/enroller>
(This will bring you to a page that says “ASTHO e-learning Center and the name of the course “Sara Alert™ Training: Enroller Role”)
2. Click on green box that says REGISTER (this will take you to a new tab).
3. A new screen will appear and click on the green SIGN IN button.
4. A LOGIN page will appear. If you already have an ASTHO account, you may log in. If not, you need to fill in the information on the right side of the screen under CREATE NEW USER and click on the Create New Account and Sign In blue button.
5. Complete New User Registration Page that appears, indicate that you are not a robot, and click “Create Account.” (Please write down your password for future reference).
6. This will then allow you to proceed to a Pre-Registration Survey, followed by the lessons. Each individual lesson includes knowledge check to support your understanding of the material. (Note: there is a minimum period of time you must spend in each lesson to move onto the assessment.)
7. After completing the final lesson “Enroller Analytics,” you will can claim a certificate.
